Mr. Ted Vegvari
Director
Palos Verdes on the Net
30940 Hawthorne Blvd
Rancho Palos Verdes, CA 90203

Re: Letter of Reference

Dear Ted:

It is my pleasure to provide you with a letter of reference as I depart my position as City Manager of Rancho Palos Verdes.

During my entire eight years as City Manager I have depended on you for advice and support in all matters related to information technology; from network design and maintenance, to VOIP systems to operation of a cable television channel. In all cases I believe the City has benefited from your assistance both from a technological standpoint and financial one.

Your contributions to the youth of our City have been widely recognized by families whose offspring have benefited and by the City Councilmembers who put a strong emphasis on youth programs. We are gratified that some of your former students are moving rapidly up the career ladder in internationally known venues.

I cannot forget to mention that you were singularly responsible for the City's ability to actually begin broadcasting from it's own Cable studio. In this situation you were clearly our benefactor. Without your offer to provide equipment and expertise we would have merely had a building and a channel with no ability to broadcast programming.

On a personal note, I am indebted to you for working with City staff to increase their technological knowledge and allow them to better manage day-to-day problems and in some cases achieve career advancement due to their new abilities.

It has been a pleasure knowing you and working with you over the years.

Sincerely,

Les Evans
City Manager
