Mayor Long and Members of the RPV City Council,

On behalf of our Music Director, Richard Babcock, and the other officers of the Peninsula Symphonic Winds, I would like to convey our thanks and appreciation for the excellent work of Palos Verdes On the Net in designing and hosting our website as a community service.

We are a volunteer organization of musicians that perform community concerts at the Norris Theatre complex and other local venues such as St. Peter's By the Sea Presbyterian Church and Rolling Hills Methodist Church. As a growing community musical organization, we depend on the website as an important means of communicating both with concert attendees and with prospective new members, and Palos Verdes On the Net makes an invaluable contribution to our musical endeavors.

Sincerely,

A handwritten signature in cursive script that reads "Jerry Adams".

Jerry Adams, President  
Peninsula Symphonic Winds
