*Palos Verdes on the Net/Annex*

I am delighted to express my appreciation for the services you provide to the residents of the Rancho Palos Verdes area.

You have helped young and old alike utilize the latest in computer technology, and I applaud your efforts to meet their needs. It is especially wonderful to see your involvement in the lives of many youth as they turn to you for rewarding internships. Their experiences not only prepare them for success in future careers, but also teach them the value of giving back to their community.

Thank you for your efforts to enrich the residents of our Golden State. On behalf of all Californians, I extend my best wishes for your continued success.

Sincerely,

A handwritten signature in black ink, reading "Arnold Schwarzenegger".
