Dear Mr. Vegvari:

On behalf of the 140 volunteers in our amateur radio Disaster Communications Service, I'd like to thank you for hosting their website, www.lacdcslmt.org, on the PV on the Net Server.

This website is one of our primary means of communicating with our volunteers and we appreciate having it available for their use.

Your staff is always very helpful and willing to help us with the website.

Thanks again for your assistance.

Sincerely,

LEROY D. BACA, SHERIFF
