Dear Mr. Vegvari:

On behalf of the clients, staff and Board of Directors of Canyon Verde, I thank you and your staff for your generosity in providing a web page and support through PVNET for our non-profit agency!

Canyon Verde is an innovative activity center providing meaningful academic, recreational, social and work opportunities for adult clients challenged with developmental disabilities. We serve clients from as far north as West Santa Monica to Palos Verde communities and east to Long Beach. I am excited at the prospect of reaching out to others in our community through PV on the Net.

Herb Stark was a thoughtful and patient support in putting up our web site. It was a pleasure working with him.

It is our practice to "give back to the community", so should PVNET ever need support with mailings or other chores our clients could perform at our program site we would be happy to accommodate you. We can be reached at the above telephone number to discuss your need and make arrangements for our volunteer services!

Thank you again for your support. It would be my pleasure to welcome you and your staff, at any time, to visit our program.

Best Wishes,

Nancy Langdon
Executive Director
